

SAPPHENIX PARTNERSHIP MENU™

From Pilot to Paid Licensing – Build a Wellness Culture That Lasts

What is Sapphenix™?

Sapphenix™ is a modular wellness ecosystem designed to support high-performance environments including founder accelerators, innovation hubs, and leadership institutions. We help organizations embed emotional regulation, energy optimization, and long-term sustainability into the core of leadership development.

You're not licensing a one-off workshop.

You're activating a scalable wellness system with measurable outcomes and cultural adaptability.

Impact at a Glance

- **92%** of participants feel more energized & focused after a Sapphenix session
- **85%** report improved work-life integration after 3 months
- **100+ hours** of wellness programming delivered to founders, leaders, and communities
